11. The exact object of the proposed rule of regulating the salary of Assistant Comissioners and Munsiffs appointed as First Grade Magistrates is not clear. If it is to give them, while so employed, the pay of a Senior Assistant Commissioner or a Subordinate Judge respectively it would be best to say so directly. It seems to be hardly necessary to treat them as having been promoted to the grade of Senior Assistant Commissioners and Sub-Judges; otherwise there is no object in appointing them as such. NOTE.—Contn. sheet

Final Note by the Third Member of Council.

Subject:- Revision of rules in regard to pay of Assistant Commissioners or Munsiffs appointed as Special Magistrates under the scheme for the separation of the Judicial and Executive functions..

Under the rules issued in Government Order No.G.11053-63/Cts. 247-18-1 dated 17th November 1919 for the recruitment of Magistrates, their pay has been fixed as shown below:-

(1) In the case of Assistant Commissioners selected for the magistracy they will draw their grade pay as Assistant Commissioners. Ordinarily Senior Assistant Commissioners will be posted as first grade Magistrates and Assistant Commissioners of junior rank as second grade Magistrates.

(2) In the case of judicial officers selected from among Sub Judges or Munsiffs, they will also draw their grade pay.

(3) Amildars and Officers selected from other services and the Bar will be put in the grade Rs.150-200-50/3 - 400 as second grade Magistrates.

(4) The pay of the first grade Magistrates, who are not Assistant Commissioners or Sub-Judges, will be Rs.500-50/2-600.

2. Owing to a slight ambiguity in the language of the order certain doubts were raised as to the pay admissible to the officers appointed as First Grade Magistrates from among Assistant Commissioners and Munsiffs. For example, Messrs. T. Venkoba Rao, First Grade Munsiff and S. Narayana Rao, Assistant Commissioner, First Class, who were recently appointed First Grade Magistrates were allowed by the Comptroller only the pay of their respective grades viz., Munsiff and Assistant Commissioner under rules (1) and (2). The intention of

(14

Government however was that such officers, when appointed as first grade Magistrates, should draw the pay fixed for the grade viz., 500-50/2-600 and when appointed as Second Grade Magistrates their salary as Assistant Commissioners or Munsiffs.

Draft for approval

3. To make this point clear the accompanying draft order suitably amending the rules was considered in Council and they

have resolved that it may be approved.

4. The recommendation of the Council may be sanctioned.

My dear Sir,

In returning herewith the file No. 279 dated the 23rd Instant, relating to the Draft Order amending the rules relating to the pay of Special Magistrates appointed under the scheme for the separation of the Judicial and Executive functions, I am directed to point out that there was no ambiguity about the original Government Order such as is referred to in the Third Member's Note. I am to add that whatever the intention may have been, the order itself was wrongly worded.

Sir,

I have the honor to submit that when I was appointed 1st Grade Magistrate I was under the impression that I would be placed in the cadre of Sub Judges and get a salary of Rs. 500-50/2-600. When I requested the Comptroller to issue my salary slip to enable me to draw that pay he intimated to me that under para 3 (ii) of Government order No. G. 11053 Cts. 247-18-1 dated 17th November 1919 I was entitled to draw only my grade pay as 1st Class Munsiff. I have sent a reply to the Comptroller saying that under the same Government order I am entitled to draw a salary of Rs. 500-50/2-600 setting forth my reasons therefor. A copy of his intimation and a copy of reply are hereto annexed.

I respectfully beg to submit that when the Government were pleased to appoint me as 1st Grade Magistrate they would not have done so without giving me the rank and pay of a Sub Judge as in the case of other Senior

(23

Senior Munsiff's appointed as First Grade Magistrates before me . I further beg to submit that the construction put by the Comptroller on the Government Order referred to above does not seem to be quite correct. According to the same Government Order I think I ought to get a salary of 500-50/2-600 for reasons stated by me in my reply to the Comptroller. I therefore beg that you will be so pleased as to move the Government to issue suitable instructions to the Comptroller to send me salary intimation slip authorising me to draw 500-50/2-600 Ruppes.

G. Sreenivasa Iyer, Esq., B.A., M.L.,

Registrar of the Chief Court of Mysore.

To

C. S.Palasundaram Iyer, Esq., B.A.,

Chief Secretary to the Government of Mysore,

Bangalore.

Sir,

I am directed to forward herewith, for favourable consideration of the Government, a copy of the representation of Mr. Venkoba Rao, Special First Grade Magistrate, Chikmagalur praying that the Government may be pleased to instruct the Comptroller to disburse his pay at 500-50/2-600 rupees a month.

I am to state that in the opinion of the Chief Court para 2 of G.O.No.G.11053-63/Cts.247-18-1 dated 17th November 1919 supports the view that when the scheme for the separation of the Judicial and Executive functions is fully introduced, selections for First Grade Magistrates will as regards officers of the Judicial Department be made from Subordinate Judges, and for second grade magistrates, from Munsiffs. The calculation of pay in para 2 clause (ii) of the order has reference to the above arrangement; that is to say, Subordinate Judges selected as first grade magistrates and munsiffs selected as second grade magistrates will respectively draw their grade pay. But when munsiffs are occasionally appointed as first grade magistrates -- and only senior munsiffs are likely to be so appointed, on the anology of Senior Assistant Commissioners who are to be posted as first grade magistrates, -- their case must

it

(25

it is believed be regulated by clause (iv). Otherwise, there will be unequal treatment and room for complaint. In Mr. Venkoba Rao's case there is also this personal ground for complaint -- a very reasonable one -- that his junior in the munsiff's cadre Mr. D. K. Rama Rao will as Special Magistrate receive more favourable treatment than he.

In the above circumstances, the Judges consider that Mr. Venkoba Rao should be allowedto draw Rs.500-50/2-600, and I am to recommend that Government may be pleased to accord their sanction to his doing so.

I have the honour to be,

S i r,

Your most obedient servant,

Registrar.

Letter dated 2nd February 1920 from the office of the First Grade Magistrate, Chikmagalur to the Comptroller to the Government of Mysore, Bangalore.

With reference to your Memo No.75 dated 29th January 1920 intimating that under para 3(ii) of Government Order No.G.11053-63/Cts.247-18-1 dated 17th November 1919 I am entitled only to draw my former pay as a 1st class munsiff, I have the honour to state that in para 1 of the Government Order, Magistrates are classed as 1st grade and 2nd grade for purposes of pay and that reading paras 2 and 3 together I would be entitled to draw Rs.500-50/-2-600. It will be seen from para 2 that 1st grade magistrates have to be recruited from among 1 Senior Assistant Commissioners 2 Sub Judges, 3 Bar and 4 by promotion of 2nd grade magistrates. There is no provision for taking munsiffs to the 1st grade. It is only to the 2nd grade that munsiffs can be taken.

2. As a munsiff cannot be appointed as 1st grade magistrate, I ceased to be a munsiff when I was appointed as such magistrate. Tither I automatically became one of the three Sub-Judges provided for in rule 2 or I did not. If I became a Sub Judge I would be entitled to draw Rs.500-50/2-600. If I did not, then I would be entitled to draw the same pay under para 3(iv). In any case I would be entitled to that pay. Paras 2 and 3(iv) and the Government Order read as a whole goes to show that it is the intention of the Government that a First Grade Magistrate should be of the grade of a Sub Judge or Senior Assistant Commissioner and that he should not draw less

than

(30

than Rs.500-50/2-600 as his salary.

3. Para 3(ii) referred to by you is applicable to munsiffs who are taken as 2nd grade magistrates and not to munsiffs who are taken as 1st grade magistrates for the reason which I have already stated viz., that a munsiff as such cannot be appointed as 1st grade magistrate. The meaning of para 3(iv) seems to be that if any one whose pay is less than Rs.500 to 600 is appointed as First Grade Magistrate he should draw Rs.500-50/2-600. For these reasons I think that under the Government Order referred to by you I am entitled to draw a salary of Rs.500-50/2-600; and if you are not disposed to agree with my interpretation of the Government Order, I request you will be so good as to refer my case to the Government for orders.
